### *Older Americans Month / Sr Safety*

The topic for discussion this month is Senior Safety and the Older Americans Month program. Members brought their programs to this meeting and explained what they do for their communities.

No agency is involved with the campaign of Older American Month, however many do have programs and fliers that address seniors and their safety.

Dave Blacklock of Sr vs Crime played a CD about a woman who had fallen and was able to call for help using a free cell phone.

All information collected today will be inserted into the CFCPA Resource Directory being created for all members. A copy of the Directory (as of this date) is being sent as a separate file to all members for their consideration.

If anyone has any questions or suggestion about this Directory, feel free to submit them at the next meeting. It is a guide for all members to have a source for a program or presentation if they need one.

**SECRETARY’S REPORT:** Motion by Tony Seda seconded by Marian Hultgreen to accept the Minutes of the March meeting. Motion approved.

**OLD BUSINESS:** It was brought to the attention of the membership that the Chief’s of Police conference was being held in Daytona Beach in June, and the Volusia County Crime Prevention Association had asked the FCPA and the CFCPA if we wanted to help with this conference. We have not heard anything from them but contact will be made to see what type of assistance we may be able to offer to help make this a successful event for this area.

**NEW BUSINESS:** None
