NEW BUSINESS: Rick De Treville was the guest speaker at our April meeting. Bill Ford introduced him and he conducted an excellent presentation. The presentation was full of information and was very informative. The speaker is very knowledgeable on the topic and provided new ideas on CPTED. Rick stated "See commercial properties as criminals do" this may give you a better idea as to assist with ideas to better safe guard their property. The presentation was great and we hope to see Rick at future meetings. The scholarship program is moving along but we are looking for a bank to team up with now for this program. Letters will be sent out to various banks for participating with the scholarship programs.

ROUNDTABLE:

WGPD: They are starting a new program in the communities, they will place door hangers on residents with crime info or crime tips. They may also send them out with the water bills.

Lake Mary PD: Will be attending the SAFE class on April 18. Business requesting safety presentations for employees.

UCFPD: 1 year anniversary for the tragic Virginia tech incident is upcoming; they are preparing staff and students for this. They are making and taking every safety measure to prepare for this anniversary. We want to welcome officer Earl Cowen to the organization.
