UCFPD: They have seen an increase in the amount of students who are taking the SAFE class. They are also conducting a bike auction for different organizations. The PD is also conducting scenarios with students on police responses to different situations.

Lake Mary PD: We assisted our senior center with a shred-a-thon that collected more then 9 tons of shredded paper. We are also seeing a rise in vehicle burglaries.

Winter Garden PD: is conducting engraving on flat screen TV's. They also just found out that flat screens only have stickers on them with the serial and model numbers that can be easily removed.

Sonitrol: The partner against crime project is doing very well. Camera sales are doing well but advising the community they are not a security system.
