Child Abuse Prevention: The Calendar Topic for this month is preparing for the National Child Abuse Prevention campaign taking place in April.

No agency or business present at this meeting had a program covering this topic; however Seminole County has a PowerPoint to cover some of this topic, but not presenting it on a national level. This program shows the 4 types of abuse- Physical, Sexual, Emotional and Neglect, explaining recognizable signs of each. There is information on where to call to report abuse, how to report it and who must report it.

This program gives statistics on Abuse and the long term effects of maltreatment.

Laurie Bailey has been working on this PowerPoint presentation addressing Child Abuse issues and it is available to anyone by sending a message to lbailey@seminolesheriff.org and request a copy.

(Laurie was not able to attend today's meeting but Ed Schierholzer made an excellent presentation on her behalf.... Thanks Ed!)

NEXT MONTH.... OLDER AMERICANS MONTH- SENIOR SAFETY- Bring your seniors programs and explain what you do for this topic. This is part of the sharing process... to learn new programs and enhance existing ones.

**BUSINESSES AND LAW ENFORCEMENT
WORKING TOGETHER TO REDUCE CRIME**

Minutes of the Meeting: MARCH 7, 2006

TREASURER'S REPORT: Treasurer not in attendance.

SECRETARY'S REPORT: Motion by Lisa Strano seconded by Marian Hultgreen to accept the Minutes of the February Meeting. Motion approved

PRESIDENT'S TIME: President Ford advised members to check out a website advertising a new Eidos video game that is counterproductive to law enforcement. The new game entitled "25 to Life" allows players the option to role-play by shooting gang members and police officers and using innocent bystanders as human shields. The National Law Enforcement Officers Memorial Fund (NLEOMF) is collecting signatures at a website... www.nleomf.com/25tolife... to help limit the selling of this video in the US. However, it may not have much of an effect.

Members discussed this video and it was expressed that educating parents is probably the only way to keep this out of the hands of kids. Members were advised to check out the website and get information to tell parents at all meetings about this disturbing "game".
